

FOR IMMEDIATE RELEASE

Southern Andes Energy Inc. and Ansue Capital Corp. Announce the Signing of an Engagement Letter regarding the proposed Financing to be completed as part of Ansue Capital Corp.'s Qualifying Transaction

TORONTO, ON, April 27 2011 – Southern Andes Energy Inc. (“**Southern Andes**” TSXV SUR) and Ansue Capital Corp. (“**Ansue**” TSXV ASU.P) are pleased to announce, further to their press release dated April 14, 2011, that Ansue has signed an engagement letter (the “**Engagement Letter**”) with BayFront Capital Partners Ltd. (“**BayFront**”) for BayFront, on its own, or as representing a syndicate of agents (collectively, the “**Agents**”), to sell subscription receipts (“**Subscription Receipts**”) convertible for no additional consideration into common shares of Ansue for gross proceeds of up to \$6,000,000 (the “**Financing**”). The purchase price per Subscription Receipt will be determined by BayFront and Ansue.

The Financing is related to the previously announced definitive agreement between Southern Andes and Ansue (the “**Definitive Agreement**”) which provided that Ansue shall acquire (the “**Acquisition**” or the “**Qualifying Transaction**”) all of the issued and outstanding shares of Caracara Silver Inc. (“**Caracara**”) and thus indirectly all of the shares of Alpaca Exploraciones SAC, as well as all of the issued and outstanding shares of Solex del Peru SAC (“**Solex**”). As a result of the Acquisition, Ansue will acquire all of the silver assets of Southern Andes which comprise 24,600 hectares of concessions located approximately 200 kilometres north of Juliaca, Peru. The Financing is intended to provide the requisite financing for Ansue to carry on business going forward post-Acquisition. The Acquisition remains subject to the receipt of requisite regulatory approval, including without limitation, the approval of the TSX Venture Exchange.

The gross proceeds from the sale of the Subscription Receipts, less the Agents’ expenses, will be deposited into escrow pending Ansue completing the escrow release conditions. The escrow release conditions include: (a) receipt of all regulatory approvals required to complete the Qualifying Transaction; (b) Southern Andes and Ansue agreeing that all conditions under the Definitive Agreement have been satisfied; and (c) that the common shares of Ansue to be issued upon the exercise of the Subscription Receipts will, subject to relevant securities laws, only be subject to the statutory hold period of four months plus one day.

In connection with the Financing, the Agents will receive a cash commission equal to 6% of the gross proceeds realized by Ansue in respect of the sale of the Subscription Receipts, as well as warrants (the “**Broker’s Warrants**”), which will terminate 24 months from the closing date, to purchase that number of additional securities of Ansue equal to 6% of the number of Subscription Receipts sold under the Financing on the same terms as the Financing.

The Financing is being undertaken by BayFront on an agency, best efforts basis.

Closing of the Financing is scheduled to occur on or about May 15, 2011, or such other date as BayFront and Ansue may agree, and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange and any other applicable securities regulatory authorities.

Ansue is a capital pool company and intends for the Acquisition to constitute the “Qualifying Transaction” as such term is defined in the policies of the Exchange. The Acquisition is an arm’s length transaction and upon completion thereof it is anticipated that Ansue will be a Tier 2 Mining Issuer.
